The Regional Planning Commission previously conducted public hearings on both projects on July 23, 2014 and August 6, 2014, and after closing the public hearings recommended approval of the projects to the Board of Supervisors.

Location of Project:

Project 1: The project site is located within the unincorporated community of East Los Angeles. The boundaries extend approximately one-half mile to the north and south of the Metro Gold Line, and it is generally bounded by Cesar E. Chavez Ave. on the north, Indiana St. on the west, Hubbard and Sixth Sts. on the south, and Margaret Ave. and Atlantic Blvd. on the east.

Project 2: The CSD area is within the unincorporated community of East Los Angeles which is bordered by City of Los Angeles on the north and west, the cities of Monterey Park and Montebello on the east, and the City of Commerce on the south.

Brief Project Description:

Project 1: The proposed project includes the adoption of the East Los Angeles 3rd Street Plan and Form-Based Code Specific Plan (Specific Plan), which would be designated for mixed uses along the main corridors (3rd St., 1st St., Cesar E. Chavez Ave., Atlantic Blvd., Beverly Blvd.) and residential uses in the surrounding neighborhoods. The Specific Plan would implement a form-based code to shape future development in the project area, with primary emphasis on the physical form and character of new development. This project includes the following components:

- Plan Amendment No. 201400003-(1), to amend the land use policy maps of the County of Los Angeles General Plan and East Los Angeles Community Plan designating the project area as Specific Plan (SP) land use.

- Zone Change No. 201400005-(1), to amend the zoning map designating the project area as Specific Plan (SP) zone.
- Specific Plan No. 201400001-(1), to adopt the Introduction and Vision, and Chapters 1, 2, 3, and 4 of the East Los Angeles 3rd Street Plan as a policy document for the project area; and to adopt by ordinance Chapter 5 (Form-Based Code Specific Plan) of the East Los Angeles 3rd Street Plan as a regulatory document in Title 22 of the County Code (Planning and Zoning) for the project area.
- Environmental Assessment No. 201400076-(1): As a lead agency under the California Environmental Quality Act (CEQA), the Board of Supervisors will consider the effects of the project as shown in the East Los Angeles 3rd Street Plan Environmental Impact Report (EIR), which includes the Final EIR (SCH No. 2013071033), and will consider adoption of the associated Findings of Fact and Statement of Overriding Considerations, and Mitigation Monitoring and Reporting Program.

Project 2: To amend Section 22.44.118 of the County Code to update the East Los Angeles Community Standards District (CSD). The proposed amendments would revise existing and establish new development standards for future development in residential, commercial, and industrial zones to enhance community aesthetics; encourage pedestrian oriented development as well as the reinvestment in existing older buildings; and streamline the process for modification of CSD development standards. This project includes the following:

- Environmental Assessment No. 201400077-(1), to consider adoption of a Negative Declaration (SCH 2014061098) pursuant to CEQA.
